Use **Gift Aid** to make any money you give worth more. If you pay UK tax, it helps us enormously if you fill in the Gift Aid Declaration and at no cost to you. Every **£25** you give us is worth **£31** to us as we claim the difference from the Inland Revenue.

I **pay UK tax** and want UKAHT (registered charity no. 1024911) to treat all donations I have made (since 6th April 2000) and all donations which I make from the date of this declaration until I notify you otherwise as Gift Aid donations. I pay an amount of income tax and/or capital gains tax at least equal to the tax that can be reclaimed on my donation in the appropriate tax year. If you pay tax at the higher rate you can claim further tax relief in your Self Assessment tax return.

I pay US tax and my payment will be over US\$250. If you pay US tax and your donation is over \$250 you can get a tax break by channelling your donation through an organisation called the American Fund for Charities. Please download the form from our website and send it with a cheque payable to *The American Fund for Charities* to one of the address at the bottom of the form. The American Fund for Charities will send you the receipt you require for your tax return. The AMF takes 10% of donations between \$250 and \$9,750 and 5% of anything above this. (It discourages any donation below \$250 by making a flat \$50 charge and not providing a the receipt required for your tax return.)

I enclose a **cheque** for £/\$..... made payable to the **UK Antarctic Heritage Trust**.

Please charge the sum of £..... to my **Visa/Mastercard/Maestro/Switch** to be paid annually on:..... (day) (month) until further notice.

- I would like take up payroll giving.** This is a system of regular giving, but takes places directly through your salary. Your employer manages it so you don't worry about setting up a direct debit or writing a cheque each year. The agreed deductions are done before you pay tax, which means that you get tax relief included in your donation at your top rate of tax. Your employer then pays these donations to a Payroll Giving agency which distributes the money to the charity of your choice. Please contact your employer for the details.
